

Having your flu vaccination (jab).

It is important to come for your flu jab.

You will get a letter to tell you where and when you will get your flu jab.

Your appointment may be in a different place from usual.
Check the address on the letter.

A carer can come to your appointment with you.

Do not come to your appointment if you have:

- High temperature
- New Cough
- Loss or change of taste or smell.

If you need to change your appointment please phone the number on your letter.
